

Dear Store Manager,

I am a dedicated shopper at your grocery store and I am writing to encourage you to carry Supreme Rice products.

Supreme Rice currently offers the following varieties of American-grown rice and is available in multiple sizes:

WHITE LONG GRAIN

WHITE MEDIUM GRAIN

JASMINE

BROWN LONG GRAIN

Each variety of Supreme Rice is the highest quality, having been grown by local farmers as the highest quality US rice. Right now, my only option is to buy from one of your competitors but I would prefer to buy from you.

It would be a great convenience for me to be able to purchase these Supreme Rice products locally at your grocery store.

Thank you,
